## Cut and Colour Your Very Own Princess Crown!

Colour in the template below, then carefully cut along the lines with the help of an adult. Then, stick the long strips to the edges of the crown with sticky tape or glue, and then to each other to create your crown! Head over to our social media for a video tutorial on how to do this if you need some help.

Make sure you share them with us on social media - we'd love to see your creations!

Cut and Colour Your Very Own Block Character!

Colour in the template below, then carefully cut along the lines with the help of an adult. Then, fold the tabs along the straight lines, before glueing together to create your box character! This is a tricky craft, so you may need an adult to help you! Head over to our social media for a video tutorial on how to do this if you need some help.

Make sure you share them with us on social media - we've love to see your creations!
